## **How are we dealing with the Covid-19 situation?**

We are following all the government Covid-19 guidelines and working hard to ensure that we run safe sessions. We have new measures in place to help ensure everyone can keep safe, but research shows that the transmission of the disease in the outdoors is significantly reduced. If your child or anyone in household is displaying symptoms, please do not attend the session and you will receive a full refund. We will be abiding by the Track and Trace system so we will need to contact people if anyone in the sessions later contracts the virus.

The Covid risk assessment and information about protocols can be found on The Hedgehog Club website. But do get in touch if you have any questions or concerns.
